College of Business Administration

General Notes Year by Year

YEAR 1

Enrollment in Math 104 or 106 is based on results on the Math Placement Exam; prerequisite enrollment in Math 95, 100A, or 101 may be necessary to qualify.

ACCT 201 – can be taken upon completion of 14 hours of UNL credit and MATH 104 or 106 with a C or better, and a 2.5 GPA.

ECON 211 or 212 can be taken upon completion of 12 credit hours.

BSAD 101 & 150 should be taken the 1st semester; and no later than 2nd semester.

ACE 4, 5, 7, and 9 (non-business requirements) and Electives can be taken in any order

BSAD 150 does not count towards the 120 hours required for graduation.

YEAR 2

Sophomore standing = completion of 27 credit hours

Courses are interchangeable throughout year 2 as long as prerequisites are met.

A 2.5 GPA is required to enroll ACCT 201 and/or 202 and ECON 215; students must maintain a 2.5 cumulative GPA throughout the program.

If 1st and 2nd year required course options are completed, most Year 3 options can be taken as long as prerequisites are met.

YEAR 3

Junior Standing = completion of 53 credit hours

Students are strongly encouraged to complete ECON 311 and ECON 312 prior to beginning 400 level courses.

Courses are interchangeable throughout remaining time at UNL as long as prerequisites are met.

A 2.5 GPA is a prerequisite for all required course work listed in Year 3.

It is strongly recommended that you incorporate required prerequisite courses for your major in the 1st semester of the third year or sooner if prerequisites are met.

All majors (except ACCT) must include an international business course in their curriculum; most must include business electives as well.

All majors must meet the requirement for 300/400-level course work outside the business core.

YEAR 4

Senior Standing = completion of 88 credit hours

MNGT 475 prerequisites must be completed to enroll, with preference given to seniors graduating the same semester as enrollment.

BSAD 98 – Senior Assessment – must be completed in your final semester

A 2.5 GPA is required to apply for graduation.

30 out of last 36 credit hours must be taken at UNL.
